

Hot Topic!

This week we marked the General Election by campaigning for our favourite animals in school. Some staff were very competitive, whilst others just allowed their animals to speak for themselves! The children then went into the polling booth and cast their vote, with the Dog emerging as the winner!

Meanwhile, outside our polling station, there was an incident of unrest as a group of suffragettes marched past demanding votes for women!

Other news

Class 3 and 4 were visited by Jane Silver- Corren who presented two workshops looking at aspects of Judaism.

The children learned about different celebrations such as weddings and Bar Mitzvahs.

As part of their topic on Survival, Class 3 had a great session building dens and surviving in the Forest of Dean! Many thanks to Mr Young aka Bear Grylls for his time and experience!

Miss Jenkins and Mr Wildin (Governor) visited classes throughout the school. They observed story writing, non-chronological report writing and sentence structure work, all delivered in a variety of ways, including RE and Geography. They were pleased to see the children so inspired, focussed and engaged with their writing.

Next week the Y6 children have their SATs assessments. They will be welcome into school at 8am where they will be provided with a delicious breakfast and a chance to relax with their class teacher before the assessment begins. Siblings will be welcome to join our 'official' breakfast club' at a reduced rate of £1.
