

## School News

- The snowy weather was a highlight for the children this week – although we are aware that there were many hoping for a day off to enjoy it! Thank you to all those who made their way into school; we had many children who had to wait for a slight thaw before cars could leave drives, but they got here!
- We have had a number of visitors in school this week, all of whom have commented on the great behaviour of the children – it is great to get such good feedback and it has been passed on to the children.
- The first Governor 'Learning Walk' of the year took place this week, looking at the teaching of phonics. Good practice was evident across the school, with all of the children thoroughly engaged with their learning.
- An increasing number of menus are not being returned to school and we are not always able to provide spare lunches for your child. **Menus** need to be in on the **Thursday before** the date on the form, to enable us to order your child's lunch for the following week.

## School Dates

Our school's learning code:  
My teacher can teach and the children can learn if:

- I listen carefully
- I show respect
- I try my hardest and don't give up
- I help others and share
- I am in charge of my own learning
- I am in charge of **ME!**

### This month's value:

### Generosity

The quality of being kind and generous in thought, words and actions.

## Superstars!
