

School News

- May thanks to the parents who attended the e-safety evening last night – we hope that you found it helpful.
- This week our Parliament met with Jim and Chef Steve from AIP to talk about the school meals. The children gave feedback on the meals that they enjoyed and also suggestions about how they could be made even better. The session finished with a question and answer session where we learned about working within a large kitchen and how many baked potatoes are prepared each day! AIP are taking the children's feedback away with them and look to put some of their ideas into action.
- AIP are organising a taster session for parents on the 10th March after school.
- Class 2 enjoyed a visit from the fire engine this week as part of their work in class.
- The closing date for our school parliament logo competition is next Friday.
