

School News

- Welcome back to the Summer Term – we hope that you all had a wonderful Easter break.
- This week the children have been introduced to their new topics – there was great excitement around the school with visits to space, scavenger hunts etc. To see what your child is doing this term, have a look at their class page on the school website.
- Pupil Progress meetings have taken place this week. During these meetings, the class teacher and Mrs Scoles look at the progress of the children and ways in which we can support them further. Children are getting to grips with the higher demands of the new curriculum and we will continue to closely monitor them.
- We have been informed by Labels in Ross that they will no longer be stocking our school uniform and are selling off their current stock at reduced prices. Uniform can still be ordered through School Trends and is also available online at Tesco.

As the weather warms up can we ask that you apply Sunscreen to your child before they come to school and provide a hat for playtimes. Thank you
