

# Steam Mills Primary News

- Well third time was lucky for Sports Day this week! Thank you for bearing with us and the weather.
- Next week is a busy one with the Leavers' production, Disco and service. All are welcome to the service and children may be collected from their classrooms once it has finished.
- End of Year Reports are being sent out today - if you would like an opportunity to discuss the report with the class teacher, please contact the office.
- Please note: there are no after school clubs next week.

- This is the final newsletter of the academic year. Many thanks to you all for your continued support of your child's education. Your encouragement of homework, attendance at Parents' Evening and school events makes such a difference.
- Thank you also for supporting your child's attendance this year. Our final figure lies at 97% - a 1.5% rise on the previous year.

**On behalf of the whole school community, we wish the Year 6 cohort every success as they move onto the next stage of their education. Year 6 – we are immensely proud of you all!**

The children are really excited about the play equipment that will be installed during the holidays. They understand that they are only to use it when a member of staff is supervising – please support them by ensuring that they do not play on it before and after school. Thank you.
