## School News

- Many thanks to the parents in Classes 1 and 2 who have worked with us to improve the safeguarding of the children first thing in the morning. The children are now much easier to monitor on their way in as the corridors are clear and they are not having to negotiate lots of legs! Although you may not be accompanying them into the building, if you have something that you urgently need to pass on to the class teacher, please let the staff at the door know. Teachers continue to be available to you after school.
- This week the school played host to 39 Special Needs Coordinators who met together to discuss the new SEN Code of Practice. Each school is responsible for creating a 'School Offer' which details how the school supports children with additional needs. To view our offer, have a look at the school website.
- Thank you to everyone who collected the minibus tokens – in the end we were able to put in over 200 entries! The official draw is at half time during the Glos v Leicester rugby match at Kingsholm next week – keep everything crossed for us!

## Working Party Needed!

As you have probably noticed, the driveway has become a little bumpy AGAIN! So we are organising a working party of parents to help fill in the holes on Friday 3<sup>rd</sup> October after school at 3.15pm. We thought it would be a perfect opportunity to also paint the fencing around the outdoor area as we have the stain already donated from Hale & Co. If you are available to help and have a spare shovel, wheelbarrow or paintbrush then please let Mrs Harris know. Refreshments will be provided!
