

# Steam Mills Primary News

- What a busy week it has been! Thank you to all of the parents who attended Parents' Evening appointments. 83 out of our 90 families made appointments to discuss their child's progress.
- Year 3 and 4 went to see an e-safety production called 'In the Net' this week. They found it valuable to see the messages that they have learnt in class presented in a different context.
- Class 4 were visited by Rachel from St Stephen's who talked to them about Fair Trade. Across the school we are looking at Fair Trade as part of our work on Global Learning.

- The children have had the opportunity to explore Easter thanks to the Ruardean Baptist church and Open the Book. They visited various 'stations' set up in the hall to find out the different stages in the Easter story.
- If you would like to order any books from this month's magazine, please ensure that orders are brought into the office on Monday morning.

## Our Value: Diversity

Well done to Jacob in Class 3 who was nominated for being able to identify how the needs of a child in Chembakoli would differ from his own.
