

Steam Mills Primary News

- We were thrilled to welcome Councillor Smart to our Celebration Assembly this week. The school has been chosen as one of the winners of the local Clean for the Queen competition. She presented a cheque which the school will use to create improvements in our local area.
- Class 4 had a wonderful time in London – we visited the Harry Potter Studios, the London Eye, British Museum, Science Museum, Greenwich and the theatre. Our tour guide was very impressed with the children's behaviour and their ability to remember the interesting facts that she shared with them!

- So far we have raised just over £1350 for our Sponsored Walk! This is the best year yet - thank you for your support! It is not too late to bring any money back – everything is gratefully received.
- The flowerbeds around the school are looking wonderful – a huge thank you to Miss Salt (Theo's mum) for donating her time and expertise.
- As part of our commitment to Safeguarding and Early Help, we will be producing a series of leaflets for parents on areas that may affect family life.
- Next Friday (24th), children are invited to come to school in non uniform in return for an item for the Tombola/raffle.

Marley

Class 3

Kassie, Lucian and
Shelby

Class 4

Archie and Will

Help Needed!

As you may know, the children are very excited about the new play equipment which is being installed during the holidays. In order for this to happen, we need an adults 'Bring a sledgehammer to school' evening on Friday 1st July at 5.00pm so that we can break down the green container. In return for your hard work we will provide a hot dog and cold drink!
