Friday 2nd December

The Flood!

For a second Monday running we thought that we would need to build an Ark! This time, it wasn't the rain that caused a problem but instead a burst water main. Luckily, due to the quick thinking of the Fire Service, only the outside area was affected. We extend huge thanks to them for all that they did. A huge thank you also goes to the staff and Governors who spent Monday cleaning up and to Severn Trent Water who have done all that they can to make sure that school has been able to operate. We appreciate your patience with drop off and pick up this week and extend a big thank you to the children who have not been able to get out to play for most of the week, but have been so sensible.

The entrance to school at 3.00am!

Christmas Week

Rehearsals are now well underway for the Christmas Productions. A letter will be sent out early next week detailing arrangements for the tickets. This year our Christmas Carol Service will take place in the School Hall this year as the church has been booked – do come and join us.

Value: Empathy

noun

The ability to understand and share the feelings of another.

Well done to Harry, Hope, Carly and Leah who has been nominated for our Empathy Board.

Steam Mills Superstars!

Pre-School	Tehya Rose and Logan
