

Steam Mills Primary News

- It has been lovely to share the children's learning with them this week. Their engagement with their work has been great to see, with every class working hard.
- We are currently carrying out Pupil Surveys in School. The focus of the questionnaire is Learning. We will be using the results to evaluate what we do in school as we work to continually improve.

- We have been lucky enough to secure Tickets for the children in Years 3-6 for a Primary Proms concert in Cheltenham on 3rd February. More details to follow next week.
- Don't forget to download the e-schools app, available on Apple and android to your phone. Once logged on, keep the app running (as you would with Whats App etc) and messages will com directly through. To see your newsletter each Friday, log on to the main learning platform.
