Our Value: Empathy

Well done to Archie (Class 3) who was nominated for our Empathy Board!

As we end 2015, I would like to say thank you to the children who have worked so hard this year and continued to make our school such a great place to be, to the parents for their support, to the whole staff for their hard work and commitment and to the Governors who have continued to support and challenge what we do to ensure that our children have the education and care that they deserve. On behalf of us all, have a wonderful Christmas and a very happy New Year!
