

# Steam Mills Primary News

This week we have marked the Queen's 90<sup>th</sup> birthday with a variety of activities in class. Children in Years R and 1 were presented with a commemorative coin by our Mayor, Max Coborn on behalf of the Town Council

It has been lovely to see the children enjoying clubs this week. We currently have 153 places taken up each week!

Children in Year 5 will be developing their cycle skills next week during their Bikeability lessons. Please ensure they have their bikes and helmets in school.

This week we appointed two new members of staff. Miss Bosley will replace Mrs Bradley who will become the teacher in the Under 5 class. Miss Bosley will cover PPA across the school from September onwards, however she will be spending time with us throughout the summer term to become familiar with the routines in each class. Miss Matthews has been appointed as a member of our Learning Support Staff and will work in Class 3 from September, covering Miss Carlson's maternity leave.

## Our Value

This half term we will be looking at Agency.  
This explores global development and the  
agencies that support it.
