

# Steam Mills Primary News

As we reach the end of the academic year, we say Thank You and Goodbye. We would like to thank all of our parent helpers who give up their time to support the children. Thank you to FOSM– for your hard work and support. Thank you to the Governors who work tirelessly to ensure that our school is the best that it can be and to the staff for your commitment to the children. Thank you to you all for helping your children with reading and homework, attendance at Parents' Evening and school events. Finally thank you to all of the children for working so hard and being such a credit to our school!
