

# Steam Mills Primary News

- This week children from Steam Mills made a real difference to our community by taking part in 'Clean for the Queen'. Class 2 collected 4 complete bags of rubbish around the car park, playground and the route to Forest School, whilst Year 6 collected 11!
- It was lovely to see the children sharing their favourite books with each other as part of World Book Day. A selection of photos can be seen on the front page of the website.

- Many thanks to the parents in Year 6 who attended our information session on the new SATs tests. This year's assessments and the way in which we report the children's results looks very different from previous years. We will put a link onto the Class 4 page with an information video for any of you that missed it.
- As part of our work on e-safety, children in Years 3 and 4 will be visiting Forest View for a production of 'In the Net'. This play will explore the importance of staying safe online in an age appropriate way.

## Our Value: Diversity

Understanding that each individual is unique, and recognising our individual differences.
