Harvest

Thank you for joining us at our Harvest celebration this year – the children loved sharing their work with you. Over £100 was raised at the Harvest Market, with the money going to Save the Children, a charity nominated by the Global Citizens.

Power Projects

It has been such a privilege to see the work that the children have completed as part of their Power Projects. Items brought in have ranged from a full size model of a body and its internal organs, beautiful photos of our school in the past, bird's eye view models of our area and fantastic technological ideas including an app that creates food! Thank you to all of the children who put in such a great effort and thank you to you for supporting them.

Inset Days

Next week the staff will be receiving training on using Thinking Maps to develop skills in writing, investigating how boys learn and developing ICT skills, including up to date knowledge on e-safety.

Lilac Data Sheets

We still have **27** data sheets outstanding. For safeguarding purposes, it is vital that we have up to date contact and medical information for your child. Please ensure that you check, amend if necessary and return to the school office. Thank you

Reverend Nick

Reverend Nick will be leaving the Forest Church for pastures new; his last service will be 11am on the 27th November. We would like to send him our thanks for the support that he has given to the school, including officiating at our Christmas services and wish him every success for the future.

Value: Care

We have had many nominations for our Values board this week. Well done to:

Zachariah in Class 2, Alex and Declan in Class 3.
