

Well what a week it has been! Thank you to our band of helpers who cleared pathways for us and to you for all of your patience with closures/staggered openings and changes of dates. If you did not receive the messages via the e-schools app each day, do let us know so that we can ensure that we have the correct details for you.

Productions

Thank you for turning out in the cold to support the Christmas shows. The children were wonderful, particularly bearing in mind that they lost so much rehearsal time and fellow cast members!

We ask that if you took photos during the shows and choose to share them via social media, that they only show your child. Thank you.

As we draw to the end of 2017, I would like to say thank you to the children who have worked really hard this year and shown real commitment towards their learning, to you the parents for your support, to the staff for their hard work and to the Governors who have continued to support and challenge what we do to ensure that our children have the education and care that they deserve.

On behalf of us all, have a wonderful Christmas and a very happy New Year!
