

# Steam Mills Primary News

- Parents' Evening times have now been sent home – we apologise if you have not been allocated the slot that you hoped for – when organising the times, we need to place families with siblings together first which can lead to disappointment for families with one child. To improve this situation, our new communication system which will be rolled out before Christmas, will have an online Parents' Evening booking tool for you to choose your slot from the comfort of your own home!

- On Monday, our School Improvement Advisor came in to review the teaching and learning in school. He visited each class and spent time looking at the children's books. We received very positive feedback and were particularly pleased when he described the behaviour as exceptional.
- Well done to Class 4 who raised over £60 at the Discos this week. It was lovely to see so many children there having fun – thank you for supporting this event.
- We hope that you all enjoy the break and that some of you have been able to take advantage of cheaper holidays! We look forward to seeing you all in November.

## Our Value: Care

**Well done Caydi-Jai, Chloe J, Marley, Carly, Lucian, JaZ, Josh P and Poppy who have been nominated for demonstrating our value of care.**
