Thank you!

As the school year comes to a close, we would like to take the opportunity to pass on our thanks. To the parent helpers who give up their time to accompany the children to Forest School (even in the rain!), come with us on school visits or give up an hour or two to listen to readers – thank you! To the Governors who support and challenge the school as we strive for continual improvement, and to the wonderful staff team for their unerring commitment to the children– thank you! To the parents who support the children with their homework, attend school events and help with fundraising including the amazing £1615 raised for the Sponsored Walk which will go towards purchasing resources for the classrooms – thank you! Finally, to the children themselves who make our school so special: thank you for your hard work and support of each other throughout the year!

Moving On...

This week we say goodbye and good luck to our wonderful Year 6 cohort. They have made us proud and we know that their new schools are very lucky to have them as members of their community.

We also say good luck to the children in Pre-School as they move on to their primary school – we hope that learning is fun and that you create some wonderful memories.
