## Hot Topics!

Well done to the fabulous Year 6 children who worked so hard during SATs week. They gave their all and were a real credit to their families and the school. We hope you have a well deserved break this weekend!

We are thrilled to be offering the children an opportunity to connect to our school library at home. They will be able to browse our books and then come to us to borrow them. Look out for the letter containing your child's log in details. We will develop our system to include all of the books we hold in school.

## Dates for your diary

18 <sup>th</sup> May	Class Photographs

20 <sup>th</sup> July	INSET & End of school

## Other news

Next Friday is our sponsored walk – if you have not received details please pop into the office or check the website.

We have noticed that more children are coming to school without the correct kit for PE. They need to have a burgundy or white T shirt, black shorts and trainers. For outdoor PE only when it is cold, we also recommend joggers. You can check the days that your child has PE on the class pages on the website. Your support with this would be appreciated.

## Values

### Creativity

This week Year 5 have been nominated as they worked really creatively to construct bridges made of different materials.

Class 2 were in charge of our Tuesday assembly this week. They shared their ideas on creativity with the school, which included story writing, singing and a little dancing!
