

Steam Mills Primary News

Hot Topics!

- ❖ Well this year, the sun shone on the appointed day and we were able to hold our annual sports day! The children had a great time competing with themselves and each other. It was lovely to see the ways in which they supported their peers.

We would like to thank all of the parents who made this event possible by volunteering to man stations, act as line judges, buy ice pops etc, the children in Class 4 who manned stations for the infants and all who came to support.

Values Reflection

Serious thought or consideration.

Well done, Jared and Zachariah on your nominations for the Thoughtfulness board.

Other News!

- ❖ Class 2 were not so lucky with the weather during their trip to the seaside – it rained! However, they did not let this affect their enjoyment and explored rockpools, played games and had an interesting talk from the Heritage Centre.
- ❖ Next Tuesday is our Maths Afternoon. You are welcome into school from 2pm to find out about the ways in which we teach Maths in each class.
- ❖ A local petition has been set up to try to reduce the speed limit on the road outside school; it can be found at <https://www.change.org/p/gloucestershire-highways-reduce-steam-mills-to-30mph>
