

Steam Mills Primary News

- Children in Class 3 and 4 had a great time completing a traffic survey this week. With the help of our local CPSO and Street Warden the children monitored the speed of vehicles passing the school. Using the radar, they were able to capture a few motorists driving at more than 40 mph! They will now use the data in school to develop their data handling skills.
- We would like to say a big 'Thank You' to Mr Jeffery, former Chair of Governors of our school, who has kindly donated a complete set of 'How to Train Your Dragon' books for our library.

Dates for your diary

Ava, Carmel, Caydi-Jai, Georgia,
Jacob, Mia M-B and Nola

Class 2

Austin, Oliver and Poppy

Class 3

Maddie, Ruby and Shelby

Class 4

Freya and Lexie Jayne

- This week Miss Bosely officially began her Teaching Practice with us in Class 2. She will be with us until Easter following very successful placements in other schools.
- Next week we will also be joined by Mrs Sargent, a Deputy Head from Bristol, for a placement as part of her qualification for Headship.
- We can see that more and more of you are logging onto our new learning platform – thank you. We would appreciate any feedback that you may have as we seek to improve our communication with you. We have reported a couple of 'glitches' to eSchools, who have reassured us that they are all temporary!

Our Value: Self Esteem

Well done To Abigail, Lydia and Jared, who have both been nominated for our Self Esteem board!.
