

## Steam Mills Primary Newsletter

Friday 16th December

As we end 2016, I would like to say thank you to the children who have continued to work hard this year. They really do make our school a special place to be and it has been great to see the way in which they have embraced our values. Their positive mindset towards their work and fantastic attitude to learning have been observed by many visitors to the school and we are very proud of them all.

Thank you to the staff, old and new (!) who have continued to show commitment to the children in our care and the Governors who have worked to ensure that the children are happy and successful.

Finally, thank you to you, the parents and carers, for all your support of the children and our school. On behalf of us all, have a wonderful Christmas and a very happy New Year.
