Welcome back!

Welcome to the summer term – complete with frost, hail and snow! We hope that you all enjoyed your Easter break.

Homework

This week we sent home a letter detailing the arrangements for homework, including information on how long the children should be spending on each area. Every child has been supplied with a Homework Diary and we ask that you support them with completing it and signing it on a weekly basis. The letter also includes information on how to access the optional Power Projects.

Clubs

Letters for clubs have been sent home this week. If you would like your child to attend, please ensure that you complete the form and return to the school office. Due to limited numbers, some clubs are operating waiting lists. The All Star Cricket coach would like some older children to join the club, giving them a coaching role so we have five spaces available for pupils in Class 4, please let the office know if your child would like to take part,

Rights Respecting Award

The first Steering Group meeting for our work on the UNICEF rights of a child took place this week. Comprising of children from across the school, they have three tasks to complete before the end of the term as we begin our journey towards becoming a Rights Respecting School: to ensure that class charters are set up, that displays linked to the rights are labelled and to introduce the different articles (rights) to the children in assembly.

Diary Dates

May

- 1st Bank Holiday
- 2nd Clubs Begin
- 8th-11th SATs week
