

Welcome Back!

Happy New Year to you all! We hope that you all had a lovely Christmas and New Year.

Y1

This term we are trialing teaching the Y1 children together for three mornings a week. Miss Barber is working with them in the Zoom Room, focusing on Writing and Maths.

Inter-generational Project

Class 4 have started a very exciting project working alongside the residents of Foxes Bridge. As a school, we place huge importance on the ability of our children to make a positive difference to the lives of people around us and their project will allow the Y5 and 6 pupils to do just that. More news on this next week.

Music

Many of you have expressed an interest in accessing music lessons through the school. We are now waiting for Gloucestershire Music to come back to us with details of tutors/prices etc and will let you know as soon as this is done. Meanwhile, we have taken delivery of Ukuleles in readiness for the whole class tuition that Class 3 will be receiving this week! We look forward to sharing with you their work later this term.

Car Park

Many thanks to Max Coborn who has begun the unenviable task of filling in the potholes in the carpark!
