

Literacy

We will be reading lots of different texts to help us with our learning.

Term 5

Term 6

Communication and language

The children will be learning lots of new vocabulary this term related to their learning...

Castle portcullis The keep battlements
tower turret moat defence fort
drawbridge arrow slot coast border
country continent sea ocean
erosion plastic paper metal
cardboard brick stone card

Term 5: Turrets and Tales Term 6: Seaside Fun!

Understanding the world

As geographers, we will be continue to look at the 4 countries and capitals of the UK and their surrounding seas.

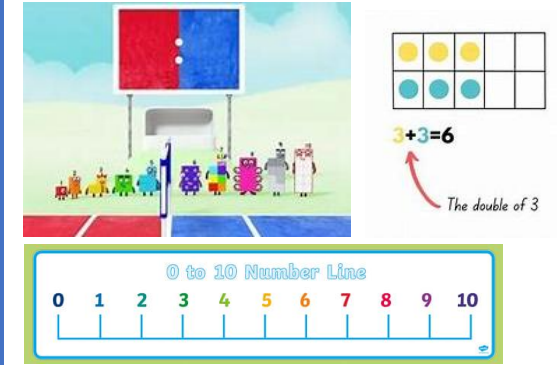

This term we will also be looking at the seven continents and 5 oceans of the world.

As scientists, we will be looking at everyday materials and their properties. We will be combining our knowledge of materials and Geography to build water defences and a variety of different physical features of castles and other physical features of the 4 capital cities of the UK.

Maths

Expressive arts and design.

Physical development

Personal, social, and emotional development

As a prime area of the children's learning, the children will engage in weekly PSHE sessions. The sessions are designed to support children to see themselves as valued individuals; to express their emotions; think about the perspective of others; develop resilience and perseverance; and to manage their own needs.
