### **An Invitation**

**Families, friends and neighbours** come along to the **Friends of Pan Tod Open Morning** on Sunday morning, 12<sup>th</sup> March, to help us finish planting 26 young trees donated to us by Gloucestershire County Council - **Plant a Million Trees Project**.

We will be planting native trees to support nature on the Hill including:  
**hazel, wild cherry, rowan and elder.**

It would be helpful (not essential) if you brought your own spade or trowels and a watering can **to give your tree its first drink.**

Also meet volunteers and learn more about:

- \* The Pan Tod Beacon and view point
- \* The Tree Gardening project
- \* the work volunteers do to maintain the site for nature and public use.
