

Pupil Progress

At this week's staff meeting we have spent time looking at the progress of the children across the school and identifying ways in which we can help individual children to achieve their potential. One of the ways in which you can support your child with their learning is by ensuring that they are following the homework expectations for their year group (see below). If you would like any support with this, please do not hesitate to contact your child's class teacher.

Clubs

The children enjoyed the start of the after school activities this week. We still have a lot of spaces on the following:

Mr Wilden's Sports Club Y1-2 Tuesday
Modern Dance Club Y3-6 Wednesday
Choir/Singing (Disney) Club Y2-6 Thursday
Please see Miss Agg if your child is interested in joining any of these.

SATS Buster Sessions

For children attending sessions each Friday, please could you sign them in on the Breakfast Club register, along with any siblings when you drop them off. We need a record of when they are here for health and safety/safeguarding. Thank you.

Cycle Training

Y5 pupils have been given information about Bikeability training, which will be taking place after half term. If your child would like to take part in the cycle training, please return the signed form by Friday 24th January. Thank you

Head Lice

We are still being informed of cases of head lice. Please could you check your child and treat accordingly. The office has a supply of combs if you would like one. Many thanks
