

We are going to be reading lots of different text to help us with our learning!

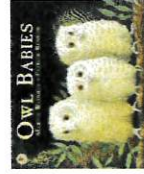

Some to help us think about ourselves and the people around us...

Some to help us think about other people and celebrations around the world...

And some favourites!

Class 1 Term 1&2

All About Me!

Short days, long nights!

As historians, we will be exploring the history of Steam Mills Primary School, looking at the similarities and differences between then and now...

We will also be exploring the concept of chronology and will be adding various events to our yearly timeline...

As geographers, we will be exploring and comparing different weather patterns in the UK and Trinidad...

We will also be looking closely at where we live and where we are in the world.

We will be learning lots of new and exciting words this term, and we will be exploring their different meanings, so we can use them in everyday speech and in our future writing!

Throughout this term, we will be incorporating Maths into our everyday continuous provision, continuing our learning, by practising Mathematical skills introduced in our Maths Mastery sessions.

As special friends, we will be thinking about how we can care for each other and how we can be a rainbow in somebody else's day!

My Rights and My Responsibilities...

Listen	Consider	Kindness	Fairness	Respect
Honesty	Thoughtfulness	Friend	Trust	
Sharing	Individuality	Opportunities	Helpful	

We will be expressing our artistic sides throughout this term, practising our creativity and fine motor skills through a variety of activities... Some child initiated, during choosing time and some adult led tasks, related directed to this terms topic!

We will also be developing our co-ordination, balance and agility through P.E, dance, and yoga.
