

Dear Parents/Carers,

With COVID cases rising sharply in schools, we continue to follow advice and protocol from the DfE and Gloucestershire County Council. Attached to this newsletter is further information from Gloucestershire County Council. Please could we remind you of the following:

- Please wear a face mask whilst on the school site.
- Remember to adhere to social distancing.
- If your child/ren, or any member of your household develops symptoms (**temperature/cough/change or loss of taste or smell**), please inform the school, stay at home and book a **PCR test**.
- Continue to maintain our school bubbles, keeping your child/ren with you whilst on the school site. Playing on equipment, grass or playground is to be avoided to minimise the risk of mixing bubbles.

Road to Tokyo – Sports Day – Tuesday 6th July

We are holding a sports day for the children on Tuesday 6th July. Children should come to school dressed in their PE kits on this day please. It will be a Road to Tokyo sports day event that is unfortunately NOT open for parents to attend this year. Children will take part in Olympic style events such as archery and javelin organised by ProStars in their classes throughout the day. Please also remember sun-cream before school, sun hats and water bottles. Thank you!

Celebration Assembly

Well done to the following children for being awarded certificates in our Zoom Celebration Assembly:

Millie and Elliot in Class 4
Macey and Cohen in Class 3
Frankie and Maeve in Class 2
Shay and Blair in Class 1 and
Sybil and Marley in Pre-school

Certificates were awarded for fantastic attributes again this week, including: always having a focused learning attitude, being patient with their group pot making, improved attitude to writing, having a mature attitude to learning, for being resilient, being a motivated learner, trying really hard with reading, always being kind and caring towards peers and settling well into Pre-school.

Parking

Unfortunately there have been no volunteers to help with the proposed new Drop-off and go scheme. We are still in need of a volunteer co-ordinator and people willing to help. The Council and the school will be looking at another possibility for easing the congestion at drop-off and collections times, we will keep you informed of any progress.

Cones have been placed on the entrance to the school lane to keep it clear of parked cars and to keep access to the Severn Trent Building free. These are for the safety of all, please do not move them.

Class Photos – Tempest

The proofs for the class photos were sent home on Wednesday, with the exception of Class 1 which has had to be returned for rework. As we are short of time before the end of the school year, could you please order on-line wherever possible please. If you have to return the paper copy order form, please do so by Friday 2nd July. Many thanks

RRSA Poster Competition

Now that we are all back into school and settled into a routine, it would be great to continue on our journey to the Gold RRSA. To relaunch the RRSA in school, there is going to be a poster competition to complete at home.

All you need to do is choose an article about one of the rights of a child and design a poster (we have attached a list of these so that you can remind yourselves). You might draw a picture, label the article or show how you can have access to the right you have chosen. You can use whatever materials you choose and it can be made on the computer, if you prefer. Entries need to be into your class teacher by **Monday 12th July.** There will be an art set prize for the winning entry. All entries will be displayed around the school.

Good Luck!

Breakfast Club Creative Play

Well done to Isla and Chloe from Class 4 who made a new friend to join them in Breakfast Club – say hello to Carl.

Best Wishes
Mrs Davis
