Dear Parents/Carers

## Rags2Riches Collection

Thank you to all those parents, carers and relatives who donated to our Rags2Riches collection this week. FoSM raised £47.60 to put towards future activities and experiences for the children.

## Queries or Concerns

A reminder that your first point of call for any learning/class queries/concerns or if you are unsure about what your child has fed back to you about anything at school, is your child's class teacher. You can request a phone call home, or if you prefer, arrange a face to face meeting. Thank you.

### Contact with School/Class Teacher

If you have a class-based query, please contact your child's teacher in the first instance via the school office. Please be assured that teachers will respond, but not necessarily on the same day. Teachers are not expected to respond whilst they are teaching or beyond 5pm; your patience is appreciated.

## National Grid Works – Monday 2<sup>nd</sup> February

We have been informed that work will commence on the removal of overhead power cables in the vicinity of the school next week. The work will start over in the Branch area but will later impact the lane to the school with temporary traffic lights. National Grid have agreed to use the February half-term to carry out the work across the lane, so as not to impact access to the school carpark.

## Bike Checks & Bikeability Training for Year 5's – Monday 9<sup>th</sup> February

Reminder that those wanting a bike check/service need to bring their bikes in on Friday morning and the actual training starts on Monday 9<sup>th</sup> February, when all bikes will need to be in school first thing. Thank you.

## World Epilepsy Day – Tuesday 10<sup>th</sup> February

World Epilepsy Day will be taking place on Tuesday 10<sup>th</sup> February. To mark this day, children are welcome to wear an item of purple e.g. a purple hair clip, purple socks, along with their normal school uniform. This is to raise awareness of epilepsy.

As part of our school safeguarding, if Parents/Carers are not able to collect children from school for any reason and have to send a friend/relative, please could you inform the school office before home-time. Thank you.

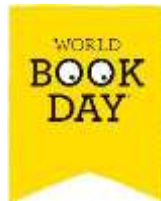

### KS2 Cookery Club – Term 4

We have taken the decision not to run Cookery Club next term as it is such a short term! Cookery Club will return after the Easter Holidays, Term 5 so please look out for the letter coming home to sign up.

### World Book Day – Thursday 5<sup>th</sup> March

World book day is on Thursday 5<sup>th</sup> March. To celebrate this year we will be wearing pyjamas to have a hot chocolate and story. We will also be running a book swap on this day.

Please wrap a book up at home and write 3 clues on the front of the paper e.g. The Gruffalo-preschool/ EYFS book, animals, forest. Children will be able to bring these books into their classes and swap as a mystery book. They will then keep the book that they have chosen from the swap. Children will be completing other book themed activities during the school day.

### Attendance Snippet

#### What should I do if my child needs a dental or medical appointment in school time?

To avoid disruption to your child's attendance, medical and dental appointments should not be booked during the school day whenever reasonably possible. When they are, you should ask the school in advance for a leave of absence and collect them as close to the time of the appointment as possible and return them to school for the rest of the school day afterwards.

### Class Snippets

**Pre-School** – this week the children have observed and talked about our vase of Tulips - recreating them with paint and watercolour paints. Using various techniques, the children have used blue and silver media and materials to create snowflakes, practising their fine motor skills. We have also built dens and engaged in lots of teacher/school role play!! As a whole group we have talked about our feelings and the feelings of others, creating a small display which has prompted lots of discussion about why we may feel the way we do in certain situations.

**Class 1** – this week we have been learning about the moon. The children shared some wonderful facts that they knew about the moon, then together we thought of some questions about the moon that we would like to find out. Reception sound this week is 'oa' for goat and HFW's are 'come, some & one'. In maths, reception have been looking at 5 and a bit to make greater numbers.

**Class 2** had a busy week of learning. In writing they have started to read the poem The Owl and the Pussy-Cat. They've written lists with noun phrases to describe what they might take in their boat and have been identifying rhyming words. We have finished reading Sir Scallywag and The Golden

### Star of the Week Certificates

#### Pre-school

**Roffi** - for showing great care and consideration, helping her friends when they were hurt.

**Ella** - for following instructions with ease and staying focused during activities.

#### Class 1

**Harrison** - for independently making and writing his name.

**Locke** - for his sight recognition of his HFW's.

**Star readers** – Harrison, Ella, Nori

#### Class 2

**Reggie** - always trying his best and being polite and kind.

**Poppy** - great effort to use capital letters and finger spaces in her writing.

#### Class 3

**Winnie** - for continued efforts in all key areas of her learning.

**Robert** - for successfully using new apparatus to aid his learning.

#### Class 4

**Ruby** - for a great diary entry in English this week.

**Poppy** - for her consistent helpful and positive demeanour in school.

Underpants and the children can perform the poem beautifully with actions. In science we have continued to explore animals - this week thinking about what they eat. Lots of paint sticks have been used to recreate Starry Night and we have started to use oil pastels to create cloud formations. Phonics sounds for the week are Y1- air tricky witch chair and Y2- c tricky witch as soft c city.

**Class 3** – another great week in Class 3! The children have written their own innovative stories about overcoming adversity, and I have been really impressed with their creativity and effort. In maths, Year 4 have started a new unit on formal written methods for addition, while Year 3 have continued their work on fractions, focusing on comparing and ordering them. Everyone has worked extremely hard. We are enjoying our class book *Zombierella* and have been making predictions about what might happen in the final two chapters — we can't wait to read them next week. In PSHE, we discussed developing an "attitude of gratitude" and how we can show this to others. In music, the children learned to play *Let Your Spirit Fly* on the glockenspiels.

**Class 4** – in Maths this week, Year 6 have been bringing together their previous knowledge of shape and angles to apply it to finding missing angles in shapes. They have shown great retrieval abilities and been able to make links between their learning. Year 5 began the week looking at prime numbers. They found retrieving multiplication knowledge independently tricky to start but as the week has progressed their retrieval skills have begun to shine. In English, they have planned their own Just So story to write next week. The Just So stories by Rudyard Kipling have been really enjoyable for the children and helped to inspire their own writing with a strong moral weaved through as with Kipling's.

### Parent/Carer Checklist

It would be helpful if Parents/Carers could run through a daily checklist before school, to ensure that your child/ren are ready for the school day. This would reduce the amount of phone calls home the school has to make and also reduce anxieties for your child/ren. The school expects the older children to start taking responsibility for some of these things themselves. As an example:

- **Lunch booked or packed lunch from home**
- **Drink bottle**
- **PE kit or swimming kit when needed**
- **Homework**
- **No jewellery**
- **Reading book**
- **Correct uniform and coat – please ensure all uniform is worn correctly**
- **No personal/unnecessary items from home**
- **All medication to come to school office – no medication in children's bags**
- **Please ensure all uniform is named!**

**Operation Encompass** is a national scheme that operates jointly between schools and all police forces.

Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.

Children who experience domestic abuse are recognised as victims of domestic abuse in their own right.

We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.

Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.

This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.

We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.
