

Literacy

We will be reading lots of different texts to help us with our learning. These books will also be read as part of our topic learning.

Term 2:

Term 3:

Communication and language

The children will be learning lots of new vocabulary this term related to their learning...

mammal reptile amphibian moon

warm-blooded cold-blooded gills

wings astronaut rocket jetpack

meteor space station astronomy

star Neil Armstrong

Term 2: Short Days, Long Nights

Term 3: Out of this world!

Understanding the world

As historians, we will be looking at Neil Armstrong and the first moon landing.

As geographers, we will continue to look at seasonal change and weather patterns between England and Trinidad.

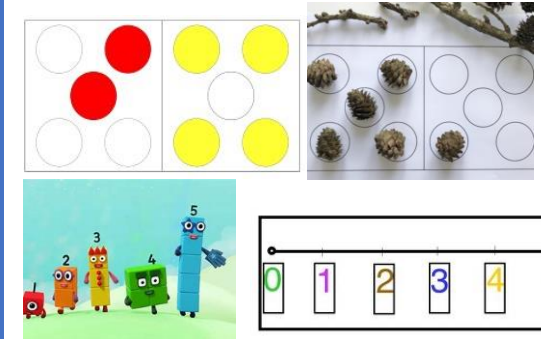

As scientists, we were looking at how to stay healthy and how to look after our teeth. We conducted an experiment with different liquids and eggs.

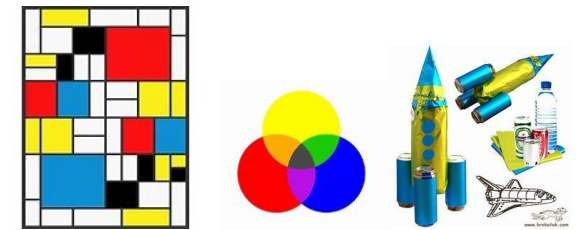

We will be looking at different animal groups this term, identifying, describing and comparing the different animals.

Maths

Expressive arts and design.

Physical development

Personal, social, and emotional development

As a prime area of the children's learning, the children will engage in weekly PSHE sessions. The sessions are designed to support children to see themselves as valued individuals; to express their emotions; think about the perspective of others; develop resilience and perseverance; and to manage their own needs.
