## Nut Free

Again, this week nuts were seen in lunch boxes. Please could we remind Parents/Carers that the school is a Nut Free School (this includes all confectionery items/snack bars that may contain nuts).

## Judo!

Thank you so much to Mr Borman (Alfie's Dad) for organising our whole school Judo sessions today. The children were very excited to try something new and very much enjoyed the sessions. Please make enquiries to Apollo Judo Club if your child is interested in taking this further. QR code below.

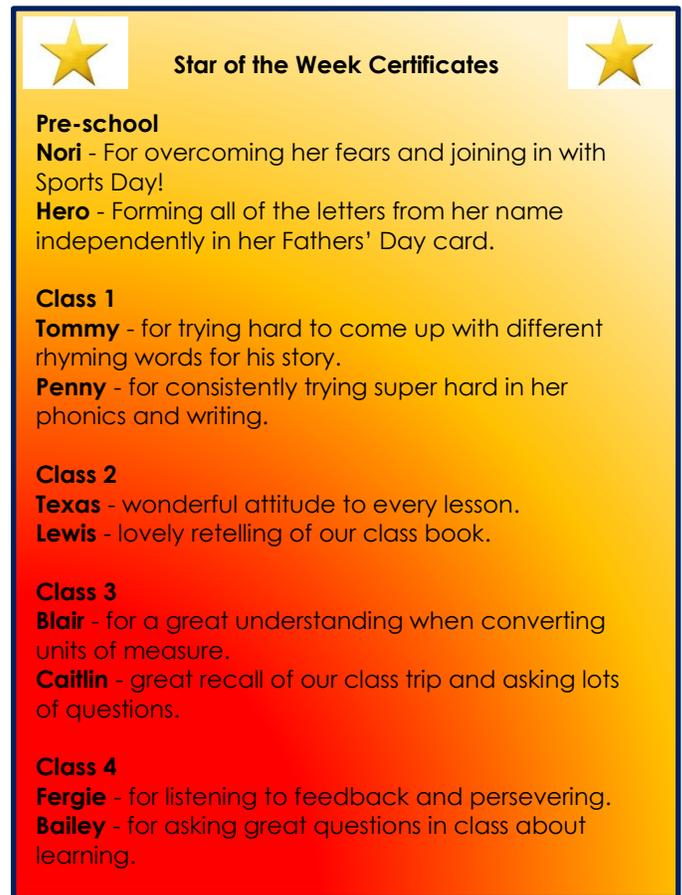

**DEXTERITY.  
EXCELLENCE.  
CLARITY.**

*Success is about adapting to all that life throws at you. Judo develops individuals who overcome all, however insurmountable the odds seem. Enrol today.*

## Staffing Update

As you know, there are some changes happening in school with staffing. We would like to inform you who will be teaching which class so it is clear in readiness for September:

Preschool - Mrs Stevens (Mon, Tues, Thurs, Fri), Miss Stevens (all week) and Mrs Molyneux (Wednesdays)

Class 1 - Miss Byrnes (Mon-Thurs AM) and Mrs Evans (Thurs PM and Fri)

Class 2 - Mrs Gibbs (Tues - Fri) and Miss Barber (Mondays)

Class 3 - Mrs Mclean (Mon - Thurs) and Miss Carlson (Fridays)

Class 4 - Miss Carlson (Mon, Tues, Weds PM) and Mrs Thomas (Weds AM, Thurs Fri)

There are some bump up days next week and early July so some staff members will be in their new classes to get to know the children.

## Class 2 Assembly - Wednesday 2<sup>nd</sup> July at 2:30pm

This term, Class 2 will be working on something very special. We would like to invite parents, carers and family in for a special whole school assembly. Parents from all classes are welcome to join us for this, please add it to your diary for Wednesday 2<sup>nd</sup> July at 2:30pm.

## Violin Performance – Wednesday 9<sup>th</sup> July at 11:40am

Class 3 have been having violin lessons for the last few weeks and this will continue through the summer term. They will be performing as a class on Wednesday 9<sup>th</sup> July at 11:40am. Parents are welcome to join us for the performance in the school hall. Please arrive at 11:30 for a 11:40 start. Thank you.

## Class Snippets

**Pre-school** – Preschool have enjoyed lots of sand and water play all week - Moon sand, using sand moulds and shells to make prints, sandpit with buckets, spades and cars, water channelling, using various sized containers to explore pouring, filling and emptying. We went to the 'beach' - paddling our feet in the 'sea' and delighted in using small syringes for water play and squirting each other!! Today we have our very own Ice cream parlour, using cones, scoops, moon sand and ice cream props

**Class 1** – this week in class one we have really enjoyed continuing our learning about the beach and coasts thinking about how the coastline changes over time. We have spent a lot of time in the outside area being creative with sand and building many towers. In English we designed main characters for our own versions of 'Oi Frog' thinking about rhyming words and what the characters would say. We have also had some lovely discussions as a class this week about the things that we have learnt and times that we have shown kindness to others. In phonics this week we worked together to read 'The Enormous Turnip' and learned the high frequency words (called, asked, looked).

**Class 2** – This week the children have been very busy. On Thursday, Mrs Evans spent a whole day doing RE and music with them. They created some creation artwork based on the Christian beliefs of the start of the world. In maths, the Y2s have been exploring capacity including litres and millilitres. The Y1s have begun a topic about recognising different coins and notes and understanding the value of money. We have also been exploring the differences between Victorian schools and modern schools. The children have continued to monitor the development of their caterpillars- many of them are now cocooning! A special thank you to Mr Borman for the wonderful Judo session - thank you for teaching us in this heat!

**Class 3** have been working hard on their assessments this week and have nearly completed them all. They amazed me with their reading paper and how they applied their learning on their grammar paper. We had a fun afternoon tasting different breads, ahead of designing our own flatbread to make in a few weeks-time. The children tried fruit loaf, bagels, wraps and ciabatta. Violin is going well and we remind parents that we have a concert on Wednesday 9th July at 11:40, where you can hear the children playing their instruments. As the hot weather continues, please remember sun hats, sun cream and water bottles.

**Class 4** have had a very busy but enjoyable week! In History, the children have learnt about the difference and similarities between Athens and Sparta, and in English we have started to analyse The Odyssey. We got to make a model of 'blood' in Science and identify the four parts of it using resources. With it being National Sports Week, the children have enjoyed their scheduled gymnastics session and the children thoroughly enjoyed their Federation Sports afternoon at Soudley; they were great ambassadors for our school. They have also had a taste of Judo, today, and got to see Mr Boreman throw Miss Carlson in a demonstration! A great week for all of the children. Good Luck to the Y6s off to some of their secondary schools next week - we know you will have a lovely time and do us proud 😊

### Car Exhaust Fumes

A polite request to parents/carers not to leave their car engines running when parked next to the school in the morning or while waiting for pick up time. As well as the obvious health issues, the fumes are making it unpleasant for everyone standing in the playground. Thank you.

### Party Invites

If sending out birthday invitations, please could parents/carers hand these out after school to ensure fairness and avoid upset of children who are not invited. Thank you.

### Parent/Carer Checklist

It would be helpful if Parents/Carers could run through a daily checklist before school, to ensure that your child/ren are ready for the school day. This would reduce the amount of phone calls home the school has to make and also reduce anxieties for your child/ren. The school expects the older children to start taking responsibility for some of these things themselves. As an example:

- **Lunch booked or packed lunch from home**
- **Drink bottle**
- **PE kit or swimming kit when needed**
- **Homework**
- **No jewellery**
- **Reading book**
- **Correct uniform and coat – please ensure all uniform is worn correctly**
- **No personal/unnecessary items from home**
- **Please ensure all uniform is named!**

### Contact with School/Class Teacher

If you have a class-based query, please contact your child's teacher in the first instance via the school office. Please be assured that teachers will respond, but not necessarily on the same day. Teachers are not expected to respond whilst they are teaching or beyond 5pm; your patience is appreciated.
