

Steam Mills Primary

04.12.20

Dear Parents/Carers,

Thank you for consideration of others at this time when dropping off/collecting children. We know how difficult and worrying these last weeks are with the Christmas holidays approaching.

Letters

This week we have issued two letters, one from myself and GCC regarding COVID detailing the steps we are all taking to stay safe and the other one with details of our Snow Plan in case of bad weather. Please let Miss Agg know if you have not received these and she will send another copy through to you.

School Pick-up Time

A reminder about procedure, if you are late for any reason collecting your child from school and your usual door is closed. Please could you not go to reception, make your way to the Breakfast Club/Afterschool Club door (white door at the rear of the school) and ring the bell. Your child will always be taken there if you miss your collection time. Thank you.

Thank you from Teams 4 U

Diary Dates

December
